Sir:

I, Felix J. D'Ambrosio, represent that I am the attorney of record for the above-identified application.

Nippon Pillar Packing Co., (hereinafter referred to as "Assignee") is the owner of the entire right and title to the above-captioned patent application and the invention and improvements therein disclosed for the United States, by virtue of an assignment from the inventor dated September 8, 2000 and recorded at Ree 011109 Frame 0775 and recorded on September 12, 2000. Assignee is also owner of the entire right and title to U.S. Patent No. 6,660,420 issued on December 9, 2003.

The terminal part of any patent granted on the above-captioned application which would extend beyond the expiration date of the full statutory term as shortened by any terminal disclaimer, of U.S. Patent No. 6,660,420 is hereby disclaimed. Any patent granted on the above-captioned application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,660,420, this agreement to run with any patent on the above-captioned application to be binding upon the grantee, its successors or assigns.

Application No.: 09/660,394

Attorney Cocket: YOSH3007/FJD

However, no rights available under the provisions of 35 U.S.C. §§155 and 156 are hereby waived.

No terminal part is disclaimed of any patent granted on the above-captioned application prior to the expiration date of the full statutory term of the U.S. Patent No. 6,660,420 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term, except for the separation of legal title stated above.

The Commissioner is hereby authorized to charge the Terminal Disclaimer fee of \$110.00 to **Deposit Account Number 02-0200**. Please charge any additional fees or credit any overpayments in connection with this paper to Deposit Account No. 02-0200. A duplicate copy of this paper is enclosed.

I, Felix J. D'Ambrosio, hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine, or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-captioned patent.

Respectfully submitted,

BACON & THOMAS, PLLC
